January 2010

GENERAL ANNOUNCEMENTS:

- Gary informed the TRIP Companies that the TRIP Expansion will take place in March 2010 to include expansions in the following areas, in order:
 - I-75 North side
 - I-575
 - I-20 West side
 - I-20 East side
- All Companies should have submitted their expansion applications in November 2009. The managers will be reviewing applications and training requirements and conduct inspections January and February. Route Negotiations will occur following all inspections.

INCIDENT DEBRIEFS:

1. Incident # 109 (1624558): 12/2/2009 I-85 North exit ramp to I-285 Eastbound, S&W

TRIP Activation Time	Incentive Payout	Roadway Clearance Time	Incident Clearance Time
13:43	\$2,500.00	48	154

🚚 Truck came off the ramp, went through the guardrail and into the embankment.

2. Incident #110 (1628950): 12/30/2009 I-285 Southbound exit ramp to I-20 Eastbound, S&W

TRIP Activation Time	Incentive Payout	Roadway Clearance Time	Incident Clearance Time
13:02	\$2,500.00	42	42

- 🚚 DeKalb County Police requested to activate TRIP.
- 🚚 Over-turned tanker.
- 🚚 53' box truck.
- 🚚 A stop work was issued to clean the queue out and open the ramp.

February 2010

GENERAL ANNOUNCEMENTS:

- Gary informed the TRIP Companies that the TRIP Expansion will be effective April 1, 2010 to allow time for all inspections and route negotiations to take place.
- All operators and supervisors should have their training documentation submitted.
- New TRIP routes will be active April 1, 2010 – March 31, 2012 {2 Years}.

INCIDENT DEBRIEFS:

3. Incident #111 (1632603): 01/22/2010 I-285 Northbound south of South Cobb Dr., Barrow

TRIP Activation Time	Incentive Payout	Roadway Clearance Time	Incident Clearance Time
9:40	\$2,500.00	49	169

- The incident involved Lanthanum Oxide (clay that will smoke when wet).
- The load was sitting on the left side, and there was no way to shift it. Once it was up-righted, it was put on the shoulder.
- Barrow made an attempt to shift, but it didn't work.
- The incident was in a sweeping curve.
- The incident recovery went well.
- There was rush hour traffic about to come through.

4. Incident #112 (1634351): 02/02/2010 I-75 Northbound at North Marietta Parkway, Marietta Wrecker

TRIP Activation Time	Incentive Payout	Roadway Clearance Time	Incident Clearance Time
7:43	\$3,500.00	34	34

- Jack-knifed TT (empty trash truck).
- Leaking diesel from saddle tanks.

5. Incident #113 (1630564): 01/08/2010 I-675 Southbound north of SR 138 (Exit 2), New Image

TRIP Activation Time	Incentive Payout	Roadway Clearance Time	Incident Clearance Time
16:49	\$2,500.00	27	191

- Clayton was not aware that I-675 was a TRIP area.

March 2010

GENERAL ANNOUNCEMENTS:

- TRIP Companies picked up current TRIP maps, contact cards and training lists.
- The new TRIP companies are: Barrow Wrecker, Marietta Wrecker, Martin's Wrecker, New Image Towing, Parker Wrecker Company, S&W Services of Atlanta, Sosebee's Wrecker, Statewide, Southside Wrecker Service, Terry's Auto Towing Service, and Willard Wrecker Service.

NO INCIDENTS TO DEBRIEF
