

Towing and Recovery Incentive Program (TRIP) AFTER INCIDENT REVIEW

March 5, 2009

1. TRIP Manager Meeting Update

- The I-75 Northbound expansion will start on April 1, 2009.
- The I-85 Northbound expansion will start on June 1, 2009.

2. Training

- Jerry Tarlton of Barrow Wrecker cancelled his attendance at Tanker Training.
- ACTION: Christine will send receipts for tanker truck training.
- On-going training is required every year, even during the first year of involvement in TRIP.

3. TRIP AIR – General

- Police should be encouraged / supported to activate TRIP. There is a learning curve, and more outreach will help continue to educate agencies. There has been a change in the rules so that now officers can activate TRIP without the arrival of HERO.

4. Incident #68 (1474934): 2/13/09: I-285 Westbound at Clark Howell Rd., New Image.

- TRIP was activated by Clayton County police upon their arrival at the scene.
- Clayton County Police activated TRIP because the wheels were on fire and the truck couldn't be moved.

5. Incident #69 (1476633): 2/25/09: I-85 Northbound Ramp to I-285 Eastbound, S&W

- Nothing major to report. Incentive paid of \$2500.

6. Incident #70 (1476706): 2/26/09: I-20 Eastbound Ramp from Flat Shoals Rd., S&W

- Only the on-scene commander can stop time, not the wrecker crew!

7. Incident #71 (1477003): 2/27/09: I-20 Westbound at Fulton Industrial Blvd., Barrow

- No times were recorded by the TMC.

8. Action Items:

Person Responsible	Action
